IT IS AGREED as follows

1. DEFINITIONS AND INTERPRETATION

- 1.1 Unless otherwise defined in this Agreement or the context requires otherwise, words and expressions used in this Agreement (including the Recitals and Schedules) have the meanings and constructions ascribed to them in Clause 1 of the Master Definitions Schedule (the "**Master Definitions Schedule**") set out in the Incorporated Terms

Memorandum dated on or about the date hereof, as amended and restated from time to time, (the "**Incorporated Terms Memorandum**"). The terms of the Master Definitions Schedule are hereby incorporated by reference into this Agreement and shall be construed in accordance with English law notwithstanding the terms of Clause 14 of Schedule 2 of the Incorporated Terms Memorandum.

- 1.2 If there is any conflict between the Master Definitions Schedule and this Agreement, this Agreement shall prevail.
- 1.3 Terms in this Agreement, except where otherwise stated or the context otherwise requires, shall be interpreted in the same way as set forth in Clause 2 of the Master Definitions Schedule as if the Incorporated Terms Memorandum was governed by and construed in accordance with English law.

2. **AGREEMENT FOR SALE AND PURCHASE**

2.1 Subject to the terms and conditions of this Agreement, the Seller agrees to sell and the Issuer agrees to purchase:

- (a) on the Closing Date, all right, title and interest of the Seller to the Initial Receivables; and
- (b) on any Additional Purchase Date, all right, title and interest of the Seller to the Additional Receivables specified by the Seller in the relevant Notice of Sale,

in each case on the terms set out in Clause 2.2.

- 2.2 Each sale pursuant to Clause 2.1 shall be by way of absolute assignment and, accordingly, the Seller, with full title guarantee, and so far as relating to the Northern Irish Receivables, as beneficial owner, and so far as relating to the Scottish Receivables, with absolute warrandice, hereby assigns and agrees to assign to the Issuer all of its right, title and interest in and to each Receivable, including, to the fullest extent possible under applicable law, all Ancillary Rights related to such Receivables but excluding all Excluded Amounts. The Seller shall not select assets to be transferred to the Issuer with the aim of rendering losses on the assets transferred to the Issuer, measured over the life of the Transaction, higher than the losses over the same period on comparable assets held on the balance sheet of the Seller.
- 2.3 The assignment and transfer in respect of each Receivable shall take effect on and with effect from the time on the Closing Date or the Additional Purchase Date, as the case may be, when the Issuer gives the confirmation referred to in Clause 6 (*Completion*), in respect of such Receivables.
- 2.4 The sale and assignment of the Initial Receivables pursuant to the Notice of Sale will put the Seller and the Issuer in the same economic position as if such sale and assignment had taken place as at the close of business on the Initial Cut-Off Date. Consequently, to the extent that the Seller has received any interest or principal or other income from such Receivables between the close of business on the Initial Cut-Off Date to and including the Closing Date or thereafter the Payment Date immediately following the delivery of the Notice of Sale, the Seller will deal with such amounts in accordance with the Servicing Agreement in the same manner as any other Collections in respect of the Purchased Receivables.
- 2.5 The sale and assignment of any Additional Receivables pursuant to the Notice of Sale will put the Seller and the Issuer in the same economic position as if such sale and assignment had taken place as at the close of business on the immediately preceding

Additional Cut-Off Date relating to such Additional Receivables. Consequently, to the extent that the Seller has received any interest or principal or other income from such Additional Receivables between the close of business on the Additional Cut-Off Date to and including the Additional Purchase Date, the Seller will deal with such amounts in accordance with the Servicing Agreement in the same manner as any other Collections in respect of the Purchased Receivables.

- 2.6 Notwithstanding anything herein or in any other Transaction Document to the contrary, each sale of any Receivables, pursuant to this Agreement shall be without recourse (except as otherwise specifically provided in this Agreement) for uncollectable Receivables or the slow realisation of Receivables.

3. **SALE OF THE INITIAL RECEIVABLES**

- 3.1 The Seller shall deliver a Notice of Sale in the form as set out in Schedule 1 (*Form of Notice of Sale*) to the Issuer (with a copy to the Servicer and the Security Trustee) on the Initial Offer Date in relation to the Initial Receivables to be sold by it on the Closing Date.

- 3.2 Subject to the provisions of this Clause 3, Clause 2.1 (*Agreement for Sale and Purchase*) and Clause 6 (*Completion*), the Notice of Sale delivered pursuant to Clause 3.1 shall be binding on the Issuer and requires the Issuer to purchase on the Closing Date the Initial Receivables specified in the Schedule attached to such Notice of Sale delivered pursuant to Clause 3.1, unless the Issuer notifies the Seller at any time after the receipt of the Notice of Sale delivered pursuant to Clause 3.1 but before the Closing Date that it does not have funds available to it for the purchase of the Initial Receivables.

- 3.3 With effect from the completion of the sale of the Initial Receivables in accordance with the provisions of this Agreement and, in so far as the Initial Receivables include Scottish Receivables, pending perfection under Scots law of such sale by duly intimated assignation, the Seller will hold the benefit of such Scottish Receivables and the other Scottish Trust Property in trust for the Issuer on the terms of the Scottish Trust. At the same time as completion of the sale of the Initial Receivables:

- (a) the Issuer and the Seller will execute and deliver a Scottish Declaration of Trust substantially in the form of Part A of Schedule 5 (*Form of Scottish Declaration of Trust*) hereto in respect of those Initial Receivables which are Scottish Receivables; and
- (b) the Issuer will assign the benefit of the Scottish Trust so created to the Security Trustee substantially in the form of Part A of Schedule 4 (*Assignment in Security*) to the Deed of Charge and Assignment, and the Issuer will procure that assignation is entered into by the Seller and the Security Trustee.

4. **SALES OF ADDITIONAL RECEIVABLES**

- 4.1 The Seller may, on any Additional Offer Date but subject to the provisions of this Agreement, deliver a Notice of Sale to the Issuer (with a copy to the Servicer and the Security Trustee) in relation to any Additional Receivables proposed to be sold by it on an Additional Purchase Date.

- 4.2 Subject to the provisions of this Clause 4, Clause 2.1 (*Agreement for sale and purchase*) and Clause 6 (*Completion*), each Notice of Sale delivered pursuant to Clause 4.1 shall be binding on the Issuer and requires the Issuer to purchase on the specified Additional Purchase Date the relevant Additional Receivables specified in the Schedule attached to such Notice of Sale delivered pursuant to Clause 4.1.

- 4.3 Notwithstanding anything to the contrary in this Agreement or any of the other Transaction Documents the Issuer shall not be required to purchase any Additional Receivables or pay any amount in respect of the Additional Receivables Purchase Price related to any Additional Receivables on or after the expiration of the Revolving Period.
- 4.4 With effect from completion of the sale and purchase of the Additional Receivables on each Additional Purchase Date in accordance with the provisions of this Agreement and, in so far as those Additional Receivables include Scottish Receivables, pending perfection under Scots law of such sale by duly intimated assignment, the Seller will hold the benefit of such Scottish Receivables and the other Scottish Trust Property in trust for the benefit of the Issuer on the terms of the Scottish Trust. At the same time as completion of such sale of Additional Receivables:
- (a) the Issuer and the Seller will execute a Scottish Declaration of Trust substantially in the form of Part B of Schedule 5 (*Form of Scottish Declaration of Trust*) hereto in respect of those of the relevant Additional Receivables which are Scottish Receivables and the Seller will deliver and intimate such Scottish Declaration of Trust to the Issuer; and
 - (b) the Issuer will assign the benefit of the Scottish Trust so created to the Security Trustee substantially in the form of Part B of Schedule 4 to the Deed of Charge and Assignment, and the Issuer will procure that that assignment is intimated to the Seller and delivered to the Security Trustee.
- 4.5 On a Business Day falling no later than 7 Business Days after the Closing Date, the Seller will make available to the Issuer an encrypted list with the personal data (comprising the name, address and the contract number) of the Obligors (the "**Initial Encrypted List**") which may be read only with the Portfolio Decryption Key and which is necessary for the identification of the Obligors in relation to all Purchased Receivables in the relevant Monthly Period.
- 4.6 On each Payment Date, the Seller further undertakes to update the encrypted list contained in the Initial Encrypted List (or the Additional Encrypted List, as applicable), and to make such updated encrypted list available to the Issuer (the "**Additional Encrypted List**").
- 4.7 The Issuer is obliged to keep confidential all information about the Receivables and the business of VWFS obtained in connection with its entering into this Agreement. The foregoing shall not apply (i) to information which is generally known or becomes generally known without the Issuer being responsible for such disclosure, (ii) to information the disclosure of which VWFS has expressly or tacitly permitted, (iii) if the Issuer is legally obliged to disclose information (including for the avoidance of doubt and without limitation, if the Issuer is required to disclose information pursuant to FATCA or any other Tax Information Arrangement), and (iv) if the disclosure of information by the Issuer is necessary for asserting rights arising from the Notes or the agreements concluded in connection with the Issue of the Notes.

5. **CONSIDERATION**

The total consideration payable by the Issuer to the Seller with respect to the Receivables (together with the related Ancillary Rights) on the Purchase Date shall be an amount equal to the Initial Receivables Purchase Price or the Additional Receivables Purchase Price, as applicable, of the relevant Receivables identified in the Notice of Sale.

6. COMPLETION

- (c) the Transaction Documents having been duly executed and delivered by the parties thereto;
- (d) all the conditions precedent set forth in the Note Purchase Agreement having been satisfied (as they apply to the Closing Date and save for any condition that the Notes be issued); and
- (e) the Notes to be issued on the Closing Date having been issued, subscribed for and the proceeds of such issue having been deposited in the Distribution Account.

6.2 Completion of the sale and purchase of the Additional Receivables shall take place on each Additional Purchase Date, upon:

- (a) the availability of the funds determined to be available for the purchase of Additional Receivables pursuant to the Order of Priority; and
- (b) no Credit Enhancement Increase Condition being in effect.

7. TRUST

The Seller will account, following the Closing Date and following each relevant Additional Purchase Date, to the Issuer for all sums received by it from any Obligor or other party under or in respect of the Receivables and the related Ancillary Rights and the Seller will hold the same on trust for the Issuer and such amounts will be paid to the Issuer in accordance with the Transaction Documents.

8. DATA PROTECTION

8.1 To the extent any party hereto receives personal data as a controller in connection with this Agreement, they will process such personal data:

- (a) in compliance with all applicable Data Protection Rules; and
- (b) only for the purposes for which such personal data was disclosed to them, unless applicable data protection rules allow another use or application.

8.2 In any event, the Seller acknowledges that unless and until Notification Event occurs, it will remain the point of contact for Obligors in relation to the Receivables, and therefore will be responsible for:

- (a) fulfilling any requests from Obligors to exercise their rights under applicable data protection laws in respect of personal data received in connection with this Agreement; and

- (a) in compliance with all applicable Data Protection Rules; and
 - (b) only for the purposes for which such personal data was disclosed to them, which in the case of the Issuer shall be limited to notifying the Obligors of the assignment either directly or through an agent upon a Notification Event occurring.
- 8.5 With respect to any personal data processed in connection with this Agreement or any other Transaction Document, each party (other than the Seller) shall notify the Seller in writing (providing full details):
- (a) within 48 hours of becoming aware of or suspecting any personal data breach; and
 - (b) within 72 hours of receiving any complaint, request, enquiry, claim, notice or other form of communication relating to the processing of personal data from a data subject or a supervisory authority.
- 8.6 In any event, the Seller acknowledges that unless and until a Notification Event occurs, it will remain the point of contact for Obligors in relation to the Receivables, and therefore will be responsible for:
- (a) fulfilling any requests from Obligors to exercise their rights under applicable Data Protection Rules in respect of personal data received in connection with this Agreement; and
 - (b) ensuring that such personal data in its possession remains accurate and up to date.

9. **WARRANTIES AND REPRESENTATIONS**

- 9.1 The Seller represents and warrants to the Issuer and to the Security Trustee, in respect of the Receivables sold by it (i) on the Closing Date but as if made at the Initial Cut-Off Date in relation to the Initial Receivables, and (ii) as at each Additional Cut-Off Date in relation to the Additional Receivables, acquired on such Additional Purchase Date, that each Purchased Receivable meets each of the following conditions (for the avoidance of doubt, when applying the conditions below the Receivables have been selected randomly and not with the intention to prejudice the Noteholders):

However, at the discretion of the Servicer and in accordance with its Customary Operating Practices, the Obligor may be given an option to reschedule repayments in a manner that increases or decreases the term of such Financing Contract and the consequential finance income; provided, that the total capital repayment shall not be impacted by any such measure;

For the avoidance of doubt VWFS does not warrant the solvency (credit standing) of the Obligors.

9.2 The Seller represents and warrants to the Issuer and to the Security Trustee, in respect of itself (i) as at the Closing Date in relation to the Initial Receivables, and (ii) as at each Additional Purchase Date in relation to the relevant Additional Receivables, that:

- (a) the Seller is a company duly incorporated under the laws of England with full corporate power, authority and legal right to own its assets and conduct its business as such assets are presently owned and its business is presently conducted and with power to enter into this Agreement and the other Transaction

- (e) so far as it is aware, there are no proceedings or investigations pending against it before any court, regulatory body, arbitral tribunal or public or administrative body or agency or ruling that would in its opinion if adversely determined have a material and adverse effect on the collectability of the Purchased Receivables, or result in any material impairment of the right or ability of the Seller to carry on its business substantially as now conducted, or result in any material liability on the part of the Seller, or which would render invalid the Transaction Documents to which the Seller is a party or the Purchased Receivables or the obligations of the Seller contemplated in those documents, or which would materially impair the ability of the Seller to perform its obligations under the terms of any Transaction Document to which it is a party;
- (f) the execution of any Transaction Document to which the Seller is a party or the assignment, assignation or transfer of any Receivables in the manner therein contemplated and the exercise by the Seller of its rights and the performance of its obligations thereunder with regard to such Receivables does not and will not conflict with, or constitute a material default under, any agreement, contract, mortgage, deed of charge or other instrument to which it is a party or by which it or any of its assets is otherwise bound;

- (h) the Seller has not taken any corporate action nor have any other steps been taken or legal proceedings been started or (to the best of its knowledge and belief) threatened against it for its winding-up, dissolution, administration or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer of it or any or all of its assets;
- (i) the Seller is resident for tax purposes in the United Kingdom and will not cease to be treated as being resident for tax purposes in the United Kingdom by virtue of the application of section 18 of the Corporation Tax Act 2009. It belongs in the United Kingdom for the purposes of United Kingdom VAT;
- (j) the Seller's centre of main interests is situated in the United Kingdom and it does not have an establishment, branch, business establishment or other fixed establishment other than in the United Kingdom. The terms "centre of main interest" and "establishment" have the meanings given to them: in Article 3(1) and Article 2(10) respectively (i) of the EU Insolvency Regulation and (ii) in the EU Insolvency Regulation as it forms part of domestic law of the United Kingdom by virtue of the EUWA and as amended by the Insolvency (Amendment) (EU Exit) Regulations 2019 (SI 2019/146) and Insolvency (Amendment) (EU Exit) Regulations 2020 (SI 2020/647);
- (k) the Purchased Receivables are originated in the ordinary course of the business of VWFS pursuant to underwriting standards which are no less stringent than those which also apply to Financing Contracts which will not be securitised. In particular, VWFS represents and warrants that it has in place (i) effective systems to apply its standard criteria for granting the Purchased Receivables and (ii) processes for approving and, where relevant, amending, renewing and re-financing the Purchased Receivables, in order to ensure that granting of the Purchased Receivables is based on a thorough assessment of each Obligor's creditworthiness taking appropriate account of factors relevant to verifying the prospect of the Obligor meeting its obligations under the relevant agreement. Furthermore, VWFS represents and warrants that the assessment of each Obligor's creditworthiness shall meet the requirements of Article 8 of Directive 2008/48/EC (as it applies in the UK and EU), in particular, the assessment: (i) will be performed on the basis of sufficient information, where appropriate obtained from the Obligor and, where necessary, on the basis of a consultation of the relevant database, and (ii) will be repeated before any significant increase in the total amount is granted after the conclusion of the financial contract, in combination with an update of the Obligor's financial information; and
- (l) the Purchased Receivables comprised in the portfolio will not include: (i) any transferable securities for purposes of Article 20(8) of the UK Securitisation Regulation; (ii) any securitisation positions for purposes of Article 20(9) of the UK Securitisation Regulation; or (iii) any derivatives for purposes of article 21(2) of the UK Securitisation Regulation, in each case on the basis that the Purchased

Receivables have been entered into substantially on the terms of similar standard documentation for HP Agreements, LP Agreements and PCP Agreements.

9.3 The Seller acknowledges that it has agreed to make the warranties and representations referred to in this Clause 9 in order to induce the Issuer and the Security Trustee to enter into this Agreement, that the Issuer will purchase the Receivables in reliance on such warranties and representations and that neither the Issuer nor the Security Trustee has made, nor will make, any enquiries of or in respect of any Receivable, any Financing Contract, any Vehicle or any Obligor.

10. REPURCHASE

10.1 In the event of a breach of any of the representations and warranties set forth above which materially and adversely affects the interests of the Issuer or the Noteholders, the Seller shall have until the end of the Monthly Period which includes the sixtieth (60th) day (or, if the Seller so elects, an earlier date) after the date that the Seller became aware or was notified of such breach to cure or correct such breach (the "**Cure Period**"). The Issuer's sole remedy will be to require the Seller to take one of the following remedial actions:

- (a) remedy the matter giving rise to such breach if such matter is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month; or
- (b) repurchase the relevant Purchased Receivable at a price equal to, or, in case of a breach of Clause 9 (*Warranties and Representations*), pay to the Issuer, the Settlement Amount of such Purchased Receivable as at the end of the calendar month immediately preceding such repurchase provided that, if it is not practicable to repurchase such Purchased Receivable within the relevant Cure Period (as defined above), the Seller may repurchase such Purchased Receivable on the immediately following Payment Date.

Each of the Issuer and Security Trustee agree to notify the Seller promptly upon becoming aware of any breach of representation or warranty set out in Clause 9 (*Warranties and Representations*) above of a Purchased Receivable. This will not constitute an obligation of the Issuer and/or the Security Trustee to investigate whether any such breach has occurred.

10.2 On (i) any Payment Date falling during the periods in (a) and (b) referred to in Clause 10.1 above or (ii) the Payment Date immediately following the last day of the Monthly Period referred to in the periods (a) and (b) in Clause 10.1 above, upon which the Seller is to repurchase a Purchased Receivable pursuant to Clause 10.1 (such Receivable, a "**Non-Conforming Receivable**"), the Seller will deliver to the Purchaser a notice specifying the details of the Non-Conforming Receivable to be repurchased (such notice, a "**Repurchase Notice**"). The Purchaser shall sell and transfer to the Seller the Non-Conforming Receivables, Financing Contracts and all related Ancillary Rights related to such Financing Contract as may be identified in any Repurchase Notice on the Repurchase Date for that Repurchase Notice, for an amount equal to the present value of the Purchased Receivable on the last calendar day of the month prior to the Repurchase Date in which the repurchase shall become effective using, as applicable, the Discount Rate on the basis of one year of 360 days being equivalent to 12 months, each month consisting of 30 days, subject to the discharge by the Seller of its obligations described in Clause 10.3 below.

- 10.3 Where any amount is payable pursuant to this Clause 10, the Seller shall deliver to the Issuer and to the Security Trustee a duly completed Seller Solvency Certificate, substantially in the form (*mutatis mutandis*) set out in Schedule 2 (*Form of Seller Solvency Certificate*) to this Agreement, signed by a duly authorised officer of the Seller, immediately prior to such payment being made or effected.
- 10.4 On any Repurchase Date, the Seller shall pay into the Distribution Account, the aggregate Settlement Amount for the Non-Conforming Receivables described in the Repurchase Notice.
- 10.5 The fulfilment of the Seller's obligation to make payments to the Purchaser pursuant to Clause 10.4 above in respect of a Non-Conforming Receivable repurchased pursuant to this Clause (a "**Repurchased Receivable**") shall be in full satisfaction and discharge of any rights or remedies which the Purchaser or any other party or person may otherwise have had with respect to such Repurchased Receivable as a result of any breach or other circumstance on the part of or affecting the Seller arising under this Agreement or any other Transaction Document in relation to such Repurchased Receivable or (as the case may be) the Obligor concerned, and accordingly, the Purchaser hereby acknowledges that it will have no further or other rights with respect to such Repurchased Receivable as a result of or in connection with any such breach or other circumstance. Upon payment of the Settlement Amount in respect of any Repurchased Receivable pursuant to Clause 10.1, the Seller shall become the absolute owner of such Repurchased Receivable.
- 10.6 Upon payment of the Settlement Amount by the Seller in respect of any Non-Conforming Receivables pursuant to Clause 10.1 above (at the cost of the Seller and without recourse or warranty on the part of the Issuer), the Issuer shall:
- (a) re-assign and re-transfer to the Seller the relevant Non-Conforming Receivables and all its rights, title, benefits and interests therein (and the Ancillary Rights referable thereto) and to the Collections thereof free from the trusts created pursuant to the Deed of Charge and Assignment and each Scottish Declaration of Trust (and any security interest attaching to the interest of the Issuer in such trusts); and
 - (b) take all such steps and comply with all such formalities as the Seller may reasonably require to perfect the re-assignment and/or release from any Scottish Trust of the Seller's title to such Non-Conforming Receivable (and the Ancillary Rights referable thereto), including, where appropriate, by giving notice of such re-assignment or retrocession to the relevant Obligor (and any related guarantor), and/or to perfect the release from the trust of the security interests referred to in paragraph (a) above.
- 10.7 Save as provided in this Clause 10 the Seller is not obliged to repurchase any Receivables.
- 10.8 If during any Monthly Period, the Seller classifies any Purchased Receivable under a Financing Contract as a Written-Off Purchased Receivable, it may repurchase from the Issuer the benefit of all such Written-Off Purchased Receivables on the following Payment Date (or on any Payment Date thereafter) and on the Payment Date on which such Written-Off Purchased Receivable is repurchased pay consideration of £1 per Purchased Receivable repurchased, paid into the Distribution Account in arrear on such Payment Date.

11. **PAYMENT FOR NON-EXISTENT RECEIVABLES**

If a Receivable purported to be sold to the Issuer pursuant hereto has never existed or has ceased to exist before the relevant Purchase Date, then the provisions of Clause 10 shall not apply and the Servicer shall notify the Issuer and the Seller as soon as reasonably practicable of it becoming aware of such non-existence and the Seller shall, on the following Payment Date, pay to the Issuer an amount equal to the amount paid by the Issuer for such non-existent Receivable on the Purchase Date.

12. **CLEAN-UP CALL OPTION**

12.1 The Seller will have the right at its option, but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all outstanding Purchased Receivables is less than 10 per cent. of the Aggregate Discounted Receivables Balance as of the Initial Cut-Off Date, provided that all payment obligations under the Notes, and any obligations ranking *pari passu* with or senior to the Notes in the Order of Priority, will be met in full on the exercise of such option. The Seller shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Condition 11 (*Notices*) of the Notes (the "**Clean-Up Call Option Notice**") and, in addition shall be published in the Servicer Report.

12.2 The Clean-Up Call Option shall be effected pursuant to a clean-up call repurchase agreement set out in Schedule 6 (*Clean-Up Call Repurchase Agreement*) hereto (a "**Clean-Up Call Repurchase Agreement**").

12.3 The Clean-Up Call Option Settlement Amount shall be the lesser of:

(a) an amount equal to the outstanding Discounted Receivables Balance which would have become due if the Clean-Up Call Option had not been exercised, calculated on the last calendar day of the month in which the repurchase is to become effective; and

(b) an amount equal to the theoretical present value of the Purchased Receivables remaining to be paid in the future, calculated using a discount rate equal to (i) the weighted average (based on the principal amount outstanding of all the Notes and the Subordinated Loan outstanding principal amount as of the end of the relevant Monthly Period) of the fixed rates under the Swap Agreement and the Subordinated Loan, plus (ii) the Servicer Fee at a rate of 1 per cent. per annum, and plus (iii) 0.03 per cent. for administrative costs and fees. It shall be calculated on the last calendar day of the month in which the repurchase is to become effective.

12.4 For the purposes of calculating the Clean-Up Call Option Settlement Amount, the risk of losses inherent to the relevant Purchased Receivables shall be taken into account on the basis of the risk status of such Purchased Receivables assessed by VWFS immediately prior to the buyback becoming effective. The Clean-Up Call Option Settlement Amount shall be due on the Payment Date following the Clean-Up Call Option Notice and, for the purposes of the definition of Collections shall be treated as a Settlement Amount.

13. **NOTIFICATION**

13.1 At no time shall any Notification Event Notice be given by any of the Issuer, the Security Trustee, the Seller or the Data Protection Trustee (or be required by it to be given) to any

Obligor or any provider of any guarantee, surety or insurer in respect of the obligations of such Obligor, until the occurrence of a Notification Event.

- 13.2 At any time after the occurrence of a Notification Event, each of the Data Protection Trustee, the Issuer and the Security Trustee may:
- (a) give notice in its own name (and/or on behalf of the Servicer pursuant to the VWFS Power of Attorney) to all or any of the Obligors of the sale, assignment and assignation of all or any of the Purchased Receivables by delivering a Notification Event Notice; and/or
 - (b) direct (and/or require the Servicer to direct) all or any of the Obligors to pay amounts outstanding in respect of Purchased Receivables directly to the Issuer, the Distribution Account or any other account which is specified by the Issuer or the Security Trustee; and/or
 - (c) give instructions (and/or require the Servicer to give instructions) to immediately transfer amounts received in respect of Collections to the Distribution Account but (if applicable) which have not already been paid to the Issuer as Collections; and/or
 - (d) take such other action and enter into such documents as it reasonably considers to be necessary, appropriate or desirable in order to recover any amount outstanding in respect of Purchased Receivables or to perfect, improve, protect, preserve or enforce their rights against the Obligors in respect of Purchased Receivables (including, without limitation, entering into supplemental transfer documents).

14. **PREPAYMENTS OF PURCHASED RECEIVABLES**

- 14.1 The Interest Compensation Available Amount will be made available to compensate the Issuer for interest shortfalls suffered by the Issuer as a result of the Early Settlement of Purchased Receivables during the Monthly Period.
- 14.2 On each Payment Date, the Servicer will calculate the Interest Compensation Available Amount, the Interest Compensation Ledger Release Amount, the Interest Compensation Ledger Allocable Amount, the Interest Compensation Shortfall Amount, the Interest Compensation Shortfall Redemption Amount, the Interest Compensation Surplus Amount, the Interest Compensation Required Amount, the Interest Compensation Ledger Targeted Amount, the Buffer Top-Up Amount and the Buffer Top-Up Shortfall Amount.
- 14.3 If, on any Payment Date, an Interest Compensation Ledger Allocable Amount exists such shall be credited to the Interest Compensation Ledger. The Interest Compensation Ledger will not form part of the General Cash Collateral Amount.
- 14.4 On each Payment Date, the Servicer will, by deducting the same from the Interest Compensation Ledger of the Cash Collateral Account, pay to the Seller the Interest Compensation Ledger Release Amount (if any).

15. **LATE PAYMENT/INDEMNITY**

- 15.1 If any sum due and payable by the Seller is not paid on the due date or if any sum due and payable by the Seller under any judgment of any court in connection herewith is not paid on the date of such judgment, the period beginning on the day after such due date or, as the case may be, the date of such judgment and ending on the date upon which the obligation of the Seller to pay such sum (the balance thereof for the time being unpaid

being herein referred to as an "**unpaid sum**") is discharged shall be divided into successive periods (an "**unpaid sum period**"), each of which (other than the first) shall start on the last day of the preceding such period and the duration of each of which shall be selected by the person to whom such sum is payable.

15.2 During each unpaid sum period an unpaid sum shall bear interest at the rate per annum which is 1.4 per cent.

15.3 Without limiting any other rights which the Issuer may have hereunder or under applicable law (other than in the case of taxes) the Seller shall indemnify the Issuer and the Security Trustee and any permitted assignees and their respective officers, directors and employees (the "**Indemnified Parties**") from and against any and all Liabilities imposed upon, awarded against or incurred by any of them in any action or proceeding between the Seller and any of the Indemnified Parties or between any of the Indemnified Parties and any third party arising out of or as a result of:

- (a) the breach by the Seller of its obligations under this Agreement and the other Transaction Documents to which the Seller is a party;
- (b) the failure by the Seller to comply with any applicable law, rule or regulation imposed upon it by the laws of England and Wales, Northern Ireland or Scotland or the non-conformity of any Financing Contract or the Seller with such law, rule or regulation; or
- (c) any product liability claim for damages for personal injury or damage to property or other similar or related claim, liability or action proceedings in respect of which are commenced in the courts of England and Wales, Northern Ireland or Scotland, arising in connection with any Receivable or Vehicle related thereto or Financing Contract;

excluding, however, (i) Liabilities to the extent resulting from negligence, misconduct, breach of this Agreement or the other Transaction Documents or bad faith on the part of an Indemnified Party, (ii) recourse (except as otherwise specifically provided in this Agreement) for uncollectable Receivables or slow realisation of Receivables, and (iii) any action or proceeding where the Seller is the claimant in the action or proceeding or the appellant in an appeal in which final judgment is given and an award of costs is made, in each case in favour of the Seller.

15.4 Any sum due and payable by the Seller to any Indemnified Party pursuant to Clause 15.3 shall be paid by the Seller to the Indemnified Party on the Payment Date following the expiration of the Cure Period.

15.5 The Issuer agrees that it shall take all reasonable steps to mitigate any loss or damage which gives rise to any claim under this Clause 15.

16. **CHANGES TO UNDERWRITING STANDARDS**

The Seller agrees that if, during the Revolving Period, it makes any material changes to its underwriting standards it will promptly provide the Issuer, the Rating Agencies and the Security Trustee with details of such changes together with an explanation of the purpose of such changes. The Issuer will notify such changes to investors in accordance with Condition 9 (*Notices*) without undue delay.

17. POWER OF ATTORNEY

The Issuer shall on request by the Servicer promptly give to the Servicer any powers of attorney or other written authorisations or mandates and instruments as are reasonably necessary in the Servicer's discretion to enable the Servicer to perform its obligations under this Agreement (provided that any such power of attorney or other matter shall be subject to any express limitations that are imposed on the rights and powers of the Servicer (whether specifically in its capacity as such or generally as one of the Transaction Parties) by any other provision of this Agreement or of any other Transaction Document).

18. CONTINUATION OF OBLIGATIONS

Except to the extent that they have been performed and except where this Agreement specifically provides otherwise, the warranties, representations, indemnities, and obligations contained in this Agreement remain in force after the date on which they were expressed to take effect until the date on which the Security Trustee notifies the Issuer and the Transaction Creditors in writing that it is satisfied that all amounts secured under the Deed of Charge and Assignment have been paid in full or extinguished.

19. ASSIGNMENT AND SUBCONTRACTING

19.1 This Agreement shall be binding upon and enure to the benefit of each Transaction Party which is a party to this Agreement or is otherwise bound by its terms and its or any subsequent successors and assigns.

19.2 Except where this Agreement provides otherwise or with the prior written consent of the Security Trustee, a Transaction Party (other than the Security Trustee) may not assign or transfer or purport to assign or transfer a right or obligation under this Agreement.

19.3 Each Transaction Party which is a party to this Agreement (other than the Security Trustee) is entering into this Agreement for its benefit and not for the benefit of another person.

19.4 Except where this Agreement specifically provides otherwise, a Transaction Party may not subcontract or delegate the performance of any of its obligations under such this Agreement.

20. VALUE ADDED TAX

20.1 Except as otherwise provided herein, any sum payable under this Agreement by one Transaction Party which is a party to this Agreement (other than the Issuer or the Security Trustee) to another is exclusive of any VAT chargeable on the supply for which that sum is the consideration (in whole or in part) for VAT purposes and an amount equal to such VAT shall be payable in addition thereto.

20.2 Except as otherwise provided herein, any sum payable under this Agreement by the Issuer or the Security Trustee is inclusive of VAT chargeable on the supply for which that sum is the consideration (in whole or in part) for VAT purposes. Section 89 of the Value Added Tax Act 1994 (and any provision having similar effect in any other jurisdiction) is excluded in relation to any sum referred to in this Clause 20.2.

20.3 To the extent that, under the terms of this Agreement, a Transaction Party (other than the Issuer or Security Trustee) makes or is deemed to make a supply to the Issuer or Security Trustee for VAT purposes and VAT becomes chargeable on such supply (whether under the reverse charge mechanism or otherwise), payment from the Issuer or Security

Trustee to such Transaction Party in consideration of such supply shall be reduced to the amount that will result in the Issuer or Security Trustee paying to such Transaction Party an amount equal to what the consideration would have been had VAT not been chargeable (whether under the reverse charge mechanism or otherwise).

21. **WITHHOLDING TAXES**

- 21.1 Except as otherwise provided herein, each payment made by a paying Transaction Party to a receiving Transaction Party under this Agreement shall be made without any deduction or withholding for or on account of tax, unless such a deduction is required by law (or pursuant to FATCA).
- 21.2 Except as otherwise provided herein, if a paying Transaction Party becomes aware that it must make a deduction or withholding for or on account of tax in respect of any payment under this Agreement (or that there is any change in the rate or the basis of such a deduction or withholding) it shall notify the receiving Transaction Party accordingly.
- 21.3 Except as otherwise provided herein, if a deduction of tax is required by law to be made by a paying Transaction Party (other than the Issuer or the Security Trustee and other than a FATCA Deduction) the amount of the payment due from such paying Transaction Party shall be increased to an amount which (after making any such required deduction or withholding) leaves an amount equal to the payment which would have been due if no such deduction or withholding had been required.
- 21.4 Except as otherwise provided herein, if a paying Transaction Party makes an increased payment pursuant to Clause 21.3 (a "**tax payment**") and a receiving Transaction Party determines that a tax credit is attributable to that tax payment and the receiving Transaction Party has obtained, and utilised that tax credit then the receiving Transaction Party shall pay an amount to the paying Transaction Party which the receiving Transaction Party determines will leave it (after that payment) in the same after-tax position as it would have been in had no deduction or withholding given rise to the tax payment been required to be made by the paying Transaction Party.

22. **CASH COLLATERAL ACCOUNT**

- 22.1 The Seller shall on the Closing Date fund the Cash Collateral Account in an initial amount equal to GBP 6,536,000.00 (representing 1.60 per cent. of the aggregate outstanding nominal amount of the Notes issued on the Closing Date). The Purchaser shall, on the Closing Date, deposit the initial Cash Collateral Amount into the Cash Collateral Account. The Cash Collateral Account is to be opened with the Account Bank in accordance with the following provisions and for the pursuit of the following aims, and the Purchaser shall at all times keep such account with a bank having the Account Bank Required Ratings. The amount of GBP 6,536,000.00 serves as initial General Cash Collateral Amount. All funds in the Cash Collateral Account (other than the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger) are referred to as the "**General Cash Collateral Amount**".
- 22.2 Amounts in the Cash Collateral Account may be used as provided for in the Trust Agreement.
- 22.3 Upon the earliest to occur of (i) the Final Maturity Date; (ii) the date on which all then outstanding Notes and the Subordinated Loan have been fully redeemed and repaid respectively, or (iii) of the date on which the Clean-Up Call Option has been exercised, the Cash Collateral Account shall be closed and VWFS shall be entitled to the sums remaining in the Cash Collateral Account together with the interests accrued thereof

(except for any Retained Profit Amounts remaining in the Cash Collateral Account, to which the Issuer is entitled).

23. EFFECTIVE DATE

This Agreement shall take effect on the Closing Date.

24. FURTHER ASSURANCE

24.1 Each Transaction Party which is a party to this Agreement (other than the Security Trustee), from time to time, upon the request of the other Transaction Parties which are parties to this Agreement agrees to execute any additional documents and do any other acts or things as may be agreed between the Transaction Parties which are parties to this Agreement which may reasonably be required to give effect to the purposes of this Agreement.

24.2 Any purchase or repurchase of securitisation positions by the Seller beyond its contractual obligations shall be exceptional and may only be made on arms' length conditions.

25. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the Transaction Parties which are parties to this Agreement relating to the subject matter of this Agreement, and supersedes any previous agreements (if any) between such parties relating to the subject matter of this Agreement.

26. REMEDIES AND WAIVERS

26.1 A failure to exercise or delay in exercising a right or remedy provided by any Transaction Document or by law does not constitute a waiver of the right or remedy or a waiver of other rights or remedies. No single or partial exercise of a right or remedy provided by any Transaction Document or by law prevents further exercise of the right or remedy or the exercise of another right or remedy.

26.2 Except where this Agreement specifically provides otherwise, the rights and remedies contained in this Agreement are cumulative and not exclusive of rights or remedies provided by law.

27. AMENDMENTS

A variation of this Agreement is valid only:

- (a) if it is in writing and signed by or on behalf of each Transaction Party which is a party to this Agreement; and
- (b) save for any correction of a manifest or proven error or variation of a formal, minor or technical nature:
 - (i) in case of amendments which do not materially and adversely affect the interests of the Noteholders and/or any other Transaction Creditor, if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing and it has been demonstrated to the reasonable satisfaction of the Security Trustee that such amendment is not materially prejudicial to the interests of the Noteholders and/or any other Transaction Creditor; and

- (ii) in case of amendments which materially and adversely affect the interests of the Noteholders and/or any other Transaction Creditor, if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing and the Issuer has received the written consent to such amendment from the Security Trustee and the Transaction Creditors that are materially and adversely affected.

28. PARTIAL INVALIDITY

The invalidity, illegality or unenforceability of a provision of this Agreement does not affect or impair the continuation in force of the remainder of this Agreement.

29. NOTICES

- 29.1 Any notice to be made hereunder shall be in the English or German language or, if not in English or German, accompanied by an English translation together with a confirmation of the Person or an officer of the Person making or delivering such notice that the translation is a true and accurate translation of the original notice.

30. **COUNTERPARTS**

This Agreement may be signed in any number of counterparts and by the parties on separate counterparts, each of which shall constitute an original, but all of which taken together shall constitute one and the same Agreement.

31. **THE SECURITY TRUSTEE AS A PARTY**

31.1 The Security Trustee has agreed to become a party to this Agreement only for the purposes of taking the benefit of the contractual provisions expressed to be given in its favour and enabling the better preservation and enforcement of its rights under this Agreement and the Transaction Documents and shall not assume any liabilities or obligations whatsoever under this Agreement.

31.2 The Security Trustee shall not assume or have any responsibility or liability for any of the obligations of the other Transaction Parties under this Agreement.

32. **NON-PETITION AND LIMITED RECOURSE**

32.1 **No proceedings against the Issuer**

Each Transaction Party which is a party to this Agreement (other than the Issuer and the Security Trustee in its capacity as Security Trustee on behalf of the Transaction Creditors) agrees with and acknowledges to each of the Issuer and the Security Trustee, and the Security Trustee agrees with and acknowledges to the Issuer, that:

(a) until the date falling one year and one day after the Final Maturity Date, none of the Transaction Parties which are parties to this Agreement nor any Person on

their behalf shall initiate, or join any Person in initiating, an Insolvency Event in respect of the Issuer provided that any Transaction Party which is a party to this Agreement may join any proceedings or action under any applicable insolvency law that are initiated by any Person other than such Transaction Party or any of such Transaction Party's Affiliates; and

- (b) none of the Transaction Parties which are parties to this Agreement shall be entitled to take, or join in the taking of, any corporate action, legal proceedings or other procedure or step which would result in the applicable Order of Priority not being complied with.

32.2 **Limited recourse**

Each Transaction Party which is a party to this Agreement (other than the Issuer and the Security Trustee in its capacity as Security Trustee on behalf of the Transaction Creditors) agrees with and acknowledges to each of the Issuer and the Security Trustee, and the Security Trustee agrees with and acknowledges to the Issuer, that notwithstanding any other provision of any Transaction Document, all obligations of the Issuer to such Transaction Party are limited in recourse as set out below:

- (a) each Transaction Party which is a party to this Agreement agrees that it will have a claim only in respect of the Security and will not have any claim, by operation of law or otherwise, against, or recourse to, any of the Issuer's other assets or its equity capital;
- (b) sums payable to any Transaction Party which is a party to this Agreement in respect of the Issuer's obligations to such Transaction Party shall be limited to the lesser of (a) the aggregate amount of all sums due and payable to such Transaction Party and (b) the aggregate amounts received, realised or otherwise recovered by or for the account of the Issuer in respect of the Security, whether by enforcement of the Security or otherwise, net of any sums which are payable by the Issuer in accordance with the applicable Order of Priority in priority to or pari passu with sums payable to such Transaction Party; and
- (c) upon the Security Trustee giving written notice to any Transaction Party to this Agreement that the Security Trustee has determined (in reliance on the certification delivered to it by the Servicer) that there is no reasonable likelihood of there being any further realisations in respect of the Security (whether arising from an enforcement of the Security or otherwise) which would be available pursuant to the applicable Order of Priority to pay unpaid amounts outstanding under the relevant Transaction Document, such Transaction Party shall have no further claim against the Issuer in respect of any such unpaid amounts and such unpaid amounts shall be discharged in full.

32.3 The provisions of this Clause 32 shall survive the termination of the Transaction Documents.

33. **OBLIGATIONS AS CORPORATE OBLIGATIONS**

33.1 **No recourse against shareholders and others**

No Transaction Party which is a party to this Agreement shall have any recourse against, nor shall any personal liability attach to, any shareholder, officer, agent, employee or director of the Issuer or any other Transaction Party in its capacity as such, by any

proceedings or otherwise, in respect of any obligation, covenant, or agreement of the Issuer contained in the Transaction Documents.

33.2 No liability for obligations of the Issuer

The Transaction Parties which are parties to this Agreement, other than the Issuer, shall not have any liability for the obligations of the Issuer, and nothing in any Transaction Document shall constitute the giving of a guarantee, an indemnity or the assumption of a similar obligation by any of the Transaction Parties in respect of the performance by the Issuer of its obligations.

33.3 Effective date in respect of representations and warranties

Except as otherwise provided in this Agreement the representations and warranties expressed herein shall be given as of the Closing Date.

Form of Seller Solvency Certificate

[on letterhead of the Seller]

To: The Issuer

From: Volkswagen Financial Services (UK) Limited

Date: [●]

Dear Sirs

IN RELATION TO THE SALE OF

RECEIVABLES BY

Volkswagen Financial Services (UK) Limited (the "Company")

I, [●], without personal liability, having duly considered the provisions of Sections 123, 222 to 224 and 238 to 243 of the Insolvency Act 1986 have determined that as at the date hereof:

1. the Company is able to pay its debts within the meaning of the said section 123 or Sections 222 to 224 and to the best of my knowledge and belief would not become unable to do so in consequence of the sale by way of assignment, assignation and transfer of Receivables pursuant to acceptance of any Notice of Sale under the Receivables Purchase Agreement dated on or about 25 October 2023, as amended and restated from time to time, (the "**Receivables Purchase Agreement**"), between Driver UK Multi-Compartment S.A. acting with respect to its Compartment Driver UK seven, as Issuer and Purchaser, Volkswagen Financial Services (UK) Limited, as Seller and Servicer, Intertrust Trustees GmbH, as Security Trustee and Data Custody Agent Services B.V. as Data Protection Trustee or the entry into any of the transaction documents to which the Company is a party and the transactions thereunder (the "**Transactions**");
2. no order has been made or resolution passed for the winding-up of the Company and, to the best of my knowledge and belief:
 - (a) no petition has been presented for the winding-up of the Company or the making of an administration order;
 - (b) no receiver, administrative receiver, administrator or receiver and manager has been appointed in relation to the Company (disregarding proceedings which are not being pursued or are discharged or are being contested in good faith on proper grounds where less than 28 days have expired since their commencement or which are of a frivolous or vexatious nature);
 - (c) the assets of the Company are now and shall remain immediately after the sale of the relevant Receivables, and the performance of the transactions effected by the Receivables Purchase Agreement, and the Company's entry into the Transactions, greater than its liabilities (taking into account its contingent and prospective liabilities) at such times for the purposes of section 123(2) and 242 of the Insolvency Act 1986 (and equivalent provisions of Scots common law);
 - (d) the transactions contemplated constitute reciprocal obligations and the parties thereto have not acted in collusion with the purpose of prejudicing the general

body of creditor of the Company for the purpose of section 243 of the Insolvency Act 1986 (and equivalent provisions of Scots common law); and

- (e) there are reasonable grounds for believing that the foregoing state of affairs shall continue thereafter for at least the period of two years from the date hereof.
3. In my opinion the value of the consideration which would be received by the Company for the sale of the [Initial Receivables][Additional Receivables] if calculated in accordance with the Receivables Purchase Agreement and the Company's entry into the Transactions, shall not be considerably less than the value, in money or money's worth, of the consideration provided by the Company within the meaning of section 238 of the Insolvency Act 1986;
 4. the sale of the [Initial Receivables][Additional Receivables] to the Issuer and all matters concerning the Company in connection with such matters shall, to the extent to which these were to be carried out by the Company, be effected by the Company in good faith and for the purpose of carrying on its business, and in my opinion there are reasonable grounds for believing that the sale of the [Initial Receivables][Additional Receivables] and all related matters shall benefit the Company;
 5. insofar as the aforementioned transactions relate to assets located in Scotland or otherwise subject to Scots law, in addition to the foregoing:
 - (a) the assets of the Company are greater than its liabilities for the purposes of sections 123 and 242 of the Insolvency Act 1986 and equivalent provisions of Scots common law and there is no reason to believe that such state of affairs will not continue for a period of at least six months after the conclusion of any such transaction; and
 - (b) any transaction would constitute reciprocal obligations of the Company with the other parties for the purposes of section 243 Insolvency Act 1986 and equivalent provisions of Scots common law and is not collusive with the purpose of prejudicing the general body of creditors of the Company;
 6. in submitting Notices of Sale to the Issuer and entering into the Transactions, the Company has not been influenced by a desire to prefer the Issuer as a creditor over any other creditors of the Company within the meaning of section 239 of the Insolvency Act 1986; and
 7. the certified copy of the Memorandum and Articles of Association of the Company provided to you is true and complete as at the date hereof.

Words and expressions defined in the Receivables Purchase Agreement shall, unless the context otherwise requires, bear the same meanings when used herein.

This certificate is given by me on behalf of the Company.

WHEREAS

- (A) The Issuer was established as a public company (*société anonyme*) incorporated with limited liability under the Luxembourg Securitisation Law for the purposes of an asset-backed securitisation. The sole shareholder of the Issuer is Stichting CarLux, a foundation duly incorporated in Amsterdam, the Netherlands.
- (B) VWFS has entered into various agreements for the provision of credit in relation to the purchase, by way of hire purchase or personal contract plan, of motor vehicles by its customers in the ordinary course of its business pursuant to which such customers shall be obliged to make periodic payments in respect of Receivables.

- (E) The Security Trustee has agreed to enter into this Agreement to release the Repurchased Receivables (as defined below) from the Security.

IT IS AGREED as follows:

1. **DEFINITIONS AND INTERPRETATION**

- 1.1 Unless otherwise defined in this Agreement or the context requires otherwise, words and expressions used in this Agreement (including the Recitals and Schedules) have the meanings and constructions ascribed to them in Clause 1 ("**Master Definitions Schedule**") of the Incorporated Terms Memorandum dated 25 October 2023, as amended and restated from time to time (the "**Incorporated Terms Memorandum**"). The definitions in Clause 1 ("**Master Definitions Schedule**") of the Incorporated Terms Memorandum are hereby incorporated by reference into this Agreement and shall be construed in accordance with English law.
- 1.2 If there is any conflict between the Incorporated Terms Memorandum and this Agreement, this Agreement shall prevail.
- 1.3 Terms in this Agreement, except where otherwise stated or the context otherwise requires, shall be interpreted in the same way as set forth in Clause 2 (*Interpretation*) of the Incorporated Terms Memorandum as if the Incorporated Terms Memorandum was governed by and construed in accordance with English law.

2. **AGREEMENT FOR SALE AND PURCHASE**

- 2.1 Subject to the terms and conditions of this Agreement, the Issuer agrees to sell and VWFS agrees to purchase the Receivables listed in Schedule 1 (*Repurchased Receivables*) of this Agreement (the "**Repurchased Receivables**") on the terms set out in Clause 2.2.
- 2.2 The sale pursuant to Clause 2.1 shall be by way of absolute assignment and, accordingly, the Issuer, with full title guarantee, and so far as relating to the Northern Irish Receivables as beneficial owner, and so far as relating to the Scottish Receivables, with absolute warrandice, hereby assigns and agrees to assign to VWFS all of its right, title and interest in and to each Repurchased Receivable, including, to the fullest extent possible under applicable law, all Ancillary Rights related to such Repurchased Receivable.
- 2.3 The repurchase price payable in respect of the Repurchased Receivables will be equal to the fair market value of the Repurchased Receivables as at the end of the Monthly Period in which the repurchase occurs (the "**Repurchase Price**") as determined in accordance with Clause 12 (*Clean-Up Call Option*) of the Receivables Purchase Agreement.
- 2.4 The assignment in respect of each VWFS Receivable shall take effect on and with effect from [●] (the "**Repurchase Date**"), subject to the discharge by VWFS of its obligations in Clause 2.5 below and the payment of the Repurchase Price.
- 2.5 The assignment of the Purchased Receivables is subject to the following conditions:
- (a) VWFS having served written notice of its intention to require the exercise of the Clean-Up Call Option on the Noteholders published in accordance with Condition 12 of the Notes Conditions one month (or more) prior to the date of this Agreement;
 - (b) VWFS delivering to the Issuer and the Security Trustee a duly completed Solvency's Certificate, substantially in the form set out in Schedule 2 (*Form of Seller Solvency Certificate*) to this Agreement, signed by a duly authorised officer of VWFS, immediately prior to such payment being made or effected; and

- (c) the Repurchase Price being sufficient to discharge all payment obligations under the Notes, and any obligations ranking *pari passu* with or senior to the Notes in the Order of Priority in full.
- 2.6 On the Repurchase Date VWFS shall pay into the Distribution Account the Repurchase Price.
- 2.7 Upon payment of the Repurchase Price by VWFS in respect of the Repurchased Receivables (at the cost of VWFS and without recourse or warranty on the part of the Issuer), the Issuer shall:
- (a) re-assign and re-transfer to VWFS the relevant Repurchased Receivables and all of its rights, title, benefits and interests therein (and the Ancillary Rights referable thereto) and to the Collections thereof free from the trusts created pursuant to the Deed of Charge and Assignment and each Scottish Declaration of Trust (and any security interest attaching to the interest of the Issuer in such trusts); and
 - (b) take all such steps and comply with all such formalities as VWFS may reasonably require to perfect the re-assignment and/or release from any Scottish Trust of VWFS's title to such Repurchased Receivable (and the Ancillary Rights referable thereto), including, where appropriate, by giving notice of such re-assignment or retrocession to the relevant Obligor (and any related guarantor), and/or to perfect the release from the trust of the security interests referred to in paragraph (a) above.

3. **RELEASE OF REPURCHASED RECEIVABLES**

- 3.1 The Security Trustee (for itself and on behalf of the Transaction Creditors) without recourse, representation or warranty, for the purposes of Clause 19.2 (*Release of Security*) of the Deed of Charge and Assignment, hereby unconditionally and irrevocably releases, reassigns and retrocedes the Repurchased Receivables free from all security and trusts constituted by, or pursuant to, and all claims arising from the Deed of Charge and Assignment and each assignment in security, subject only to the provisos contained in Clauses 20.4 and 20.5 (*Release of Security*) of the Deed of Charge and Assignment.
- 3.2 The Security Trustee hereby intimates and gives notice to the Seller as trustee under each Scottish Declaration of Trust of the retrocession of its right, title, interest and benefit in and to the Scottish Trust Property made in terms of Clause 3.1 and the Seller by its execution of this Agreement acknowledges such intimation and notice.
- 3.3 Completion of the repurchase in relation to the Repurchased Receivables which are governed by or otherwise subject to Scots law in accordance with Clause 2 (*Agreement for Sale and Purchase*) shall automatically constitute a release of such Repurchased Receivables and all right, title, benefit and interest therein from any trusts constituted by declarations of trust dated on or after 25 October 2023 by VWFS pursuant to the Issuer Receivables Purchase Agreement or, as applicable, the Purchaser Receivables Purchase Agreement and such trusts shall be deemed as at the Repurchase Date to have been terminated and cease to have effect in respect of the Repurchased Receivables. The Issuer and VWFS by their execution of this Agreement hereby acknowledge such release and discharge as beneficiary and trustee thereunder respectively.

4. **MISCELLANEOUS**

5. **GOVERNING LAW**

This Agreement and all non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of England provided that any terms herein particular to Scots law or Northern Irish law will be construed in accordance with Scots law or Northern Irish law.

6. **JURISDICTION AND SERVICE OF PROCESS**

6.1 The courts of England have exclusive jurisdiction to settle any dispute.

6.2 Each Transaction Party which is a party to this Agreement (other than the Security Trustee) agrees that the courts of England are the most appropriate and convenient courts to settle disputes between them and, accordingly, that they will not argue to the contrary.

6.3 VWFS consents generally in respect of any proceedings to the giving of any relief or the issue of any process in connection with such proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such proceedings.

Schedule 2

Form of Solvency Certificate

[on letterhead of VWFS]

[on letterhead of the Seller]

To: The Issuer and the Security Trustee
From: Volkswagen Financial Services (UK) Limited
Date: [***]

Dear Sirs

**In relation to the repurchase of
Repurchased Receivables by**

Volkswagen Financial Services (UK) Limited (the "Company")

I, [***], without personal liability, having duly considered the provisions of Sections 123, 222 to 224 and 238 to 243 of the Insolvency Act 1986 have determined that as at the date hereof:

1. the Company is able to pay its debts within the meaning of the said section 123 or Sections 222 to 224 and to the best of my knowledge and belief would not become unable to do so in consequence of the repurchase of the Repurchased Receivables pursuant to the Clean-Up Call Repurchase Agreement (the "**Clean-Up Call Repurchase Agreement**") dated [***], between Driver UK Multi-Compartment S.A. acting with respect to its Compartment Driver UK 7, as Issuer, Volkswagen Financial Services (UK) Limited and Intertrust Trustees GmbH, as Security Trustee or the entry into any of the Transaction Documents to which the Company is a party and the transactions thereunder (the "**Transactions**");
2. no order has been made or resolution passed for the winding-up of the Company and, to the best of my knowledge and belief:
 - (a) no petition has been presented for the winding-up of the Company or the making of an administration order;
 - (b) no receiver, administrative receiver, administrator or receiver and manager has been appointed in relation to the Company (disregarding proceedings which are not being pursued or are discharged or are being contested in good faith on proper grounds where less than 28 days have expired since their commencement or which are of a frivolous or vexatious nature);
 - (c) the assets of the Company are now and shall remain immediately after the repurchase of the Repurchased Receivables, the performance of the transactions effected by the Clean-Up Call Repurchase Agreement and the Company's entry into the Transactions, greater than its liabilities (taking into account its contingent and prospective liabilities) at such times for the purposes of section 123(2) and 242 of the Insolvency Act 1986;
 - (d) the transactions contemplated constitute reciprocal obligations and the parties thereto have not acted in collusion with the purpose of prejudicing the general

body of creditors of the Company for the purpose of section 243 of the Insolvency Act 1986; and

- (e) there are reasonable grounds for believing that the foregoing state of affairs shall continue thereafter for at least the period of two years from the date hereof.
- 3. in my opinion the value of the consideration which would be paid by the Company in connection with the repurchase of the Repurchased Receivables, if calculated in accordance with the Clean-Up Call Repurchase Agreement and the Company's entry into the Transactions, shall not be considerably less than the value, in money or money's worth, of the consideration received by the Company within the meaning of section 238 of the Insolvency Act 1986;
- 4. the repurchase of the Repurchased Receivables and all matters concerning the Company in connection with such matters shall, to the extent to which these were to be carried out by the Company, be effected by the Company in good faith and for the purpose of carrying on its business, and in my opinion there are reasonable grounds for believing that the repurchase of the Repurchased Receivables and all related matters shall benefit the Company;
- 5. in repurchasing the Repurchased Receivables and entering into the Transactions, the Company has not been influenced by a desire to prefer the Issuer as a creditor over any other creditors of the Company within the meaning of section 239 of the Insolvency Act 1986; and
- 6. the certified copy of the Memorandum and Articles of Association of the Company provided to you is true and complete as at the date hereof.

Words and expressions defined in the Clean-Up Call Repurchase Agreement shall, unless the context otherwise requires, bear the same meanings when used herein.

This certificate is given by me on behalf of the Company.
